VINEYARDS

Biologically certified vineyards in the Asprokamos area of Nemea in the Peloponnese region of Greece. Altitudes of 400-600m.

SOIL

Sloping sand and clay

HARVEST

Second week of October, hand harvested.

VINIFICATION

The grapes are hand picked and carried to the winery in small latticed baskets. Pure red vinification follows. The grapes are entirely fermented in stainless steel tanks at a controlled temperature of 25C, then matured in 228lt French oak barrels for 14 months. Aging in bottles can last 10 years.
