

TSIPOURO TIRNAVOU KATSAROS

ABOUT

A fruity and smooth pomace brandy distilled from the marc of local fragrant “Muscat Tirnavos” grapes in Tirnavos, Larissa, Greece.

DISTILLATION

By selecting the best Muscat grapes (which experts define as one of the oldest varieties), a unique and authentic spirit with rich flavor and natural taste is created. A premium level of quality is achieved by using only seeds and herbs that have been hand harvested with the utmost care. For the production of 1 liter of tsipouro, 5kg of grapes are used. After distillation, the heart of the distillate is diluted with purified water, then filtered and aged in stainless steel tanks.

AWARDS

Gold Medal - Olymp Awards 2017
Silver Medal - Premium Select Spirits Int. ROWEIN 2013
Bronze Medal - IWSC 2011
Silver Medal - IWSC 2009
Silver Medal - IWSC 2008
