

APLA WHITE 2019

60% Malagousia - 30% Assyrtiko - 10% Roditis

Tasting notes: A delicious wine with a lot of complexity, from vineyards of 12-45 years old. Attractive tropical fruit in the nose, completed with stone fruits and floral notes with a hint of white pepper. On the palate, it has a rich feel with restrained acidity and a lingering fruit finish. The participation of a 45yrs old Roditis in the blend helps to a more layered palate.

Vinification:

- Sorting of the grapes and either direct pressing or limited cold maceration
- Fermentation in inox tanks and amphoras, independently for each parcel
- 3 months aging on the fine lees before bottling

Food matching; Perfect with seafood and salad, sushi and Asian cuisine in general.

The winery: Nikos Karatzas founded OENOPS WINES PC in 2015 and it is the most newly established winery in the region of Drama. Its main purpose is to produce high quality wines in limited quantities. The grapes come from personally selected vineyards from Drama and Macedonia in general, that are cultivated from ambitious winegrowers.
