50% Malagousia–30% Assyrtiko-20% Vidiano

Viticulture–Winemaking:

After chilling the grapes at 5°C, they are carefully sorted and pressed, with a small percentage of whole cluster, in a pneumatic press. Fermentation takes place in stainless steel tanks and amphorae, vinifying each vineyard plot separately. After 2-4 months of aging on the fine lees, the wine is ready for bottling.

Tasting notes:

A delicious wine with a lot of complexity and attractive tropical fruit in the nose, followed by stone fruits and floral notes. On the palate, it has a rich feel with restrained acidity and a lingering fruit finish.

Food Matching:

Perfect with sea food and salads, sushi and Asian cuisine in general. A pleasure for all moments.

“APLA” Family:

Nikos Karatzas founded OENOPS WINES PC in 2015 and it is the most newly established winery in the region of Drama. Its main purpose is to produce high quality wines in limited quantities. The grapes come from personally selected vineyards from Drama and Macedonian general, that are cultivated from ambitious winegrowers.
