VINEYARDS

ETEON 2020

CATEGORY: White Dry

GRAPE VARIETY: Xynisteri

VINEYARDS: Privately owned and leased vineyards within the geographical boundaries of Farmakas, Odou, Kampi and Lazanias villages on the mountainous Nicosia, at an altitude between 1000 – 1300m. Non-irrigated, pre-phyllloxeric vines grown in traditional goblet formation, planted on the naturally formed slopes, with incline reaching up to 120% (60 degrees). Absence of terraces. Xynisteri vines can be found scattered between Mavro vines at a percentage of 10%.

AGE OF VINES (average): 120 years.

YIELDS (average): 5000kg / ha (32hL/ha).

HARVEST : Mid September – Late September

VINIFICATION - ELEVAGE: 50% of the wine ferments with indigenous yeast in traditional clay vessels (pithari) and the other 50% ferments in stainless steel vats. Maturation in oak barrels (no new oak) for 5 months. Minimal sulfuring. Bottled with slight filtration.

CHEMICAL ANALYSIS: Alcohol: 13% vol pH: 3.15 Total Acidity: 4.1 g/L (sulphuric) Residual Sugars: 1.0 g/L Total Phenols: 25
Total SO₂: 90 mg/L

PRODUCTION: 3000L
