## **FRAGOSPITO WHITE 2022**

DRY WHITE WINE – PGI CRETE – Organic Wine

**VARIETY:** 50% Moschato Spinass, 50% Malvazia. Both grapes are very aromatic indigenous grape varieties of Crete.

**GRAPE ORIGIN:** Both Moschato Spinass and Malvazia grapes come from our single vineyard, named Fragospito, at an altitude of 400 meters with clay-loamy soil.

The vineyard is located at Voriass (meaning north wind) area, Monofatsi, Heraklio, Crete.

The yield is about 7000kg/ha.

**VINIFICATION:** Moschato grapes were harvested at night of 21<sup>th</sup> of August and Malvazia grapes at night of 24<sup>th</sup> of August so they had the natural temperature of the night. Cold maceration took place for 12 hours and yeasts were added to initiate fermentation that lasted 15 days at low temperatures. The wine was cold stabilized and filtered before bottling.

**PRODUCTION:** 18000 bottles were made in 2022

**TASTING NOTES:** Crystal bright yellow color. Aromatic intensity and complexity with rose, citrus and peach notes. Rich fruity flavor and pleasant acidity.

**FOOD PAIRING:** Fresh green salads, pies, fish, shellfish, white meat
