

THYMIPOULOS
VINEYARDS

Naoussa Thymiopoulos 2021

HARVEST

October 2021

VINIFICATION

Grapes are hand-picked, 75% destemmed and macerated for 18 days, fermented in stainless steel tanks for 1 month

MATURATION

4 months in 500-litre, second use oak barrels

VINEYARDS

Higher altitude parcels around the village of Fytia and warmer, lower parcels adjacent to Trilofos village. Vines are 26 years old

ALTITUDE

200 - 500 metres

SOIL

Schist, limestone, clay

MICROCLIMATE

Warm climate tempered by the Mediterranean winds and by the air flowing down from Vermio mountain play a determinant role in the ripening period, protecting the grapes by maintaining low temperatures

TYPE: RER DRY WINE

CATEGORY: P.D.O. NAOUSSA

VARIETY: 100% XINOMAVRO

ALCOHOL: 13,5%
